## 2021 Energy Assistance and Weatherization Application Instructions Keep for Your Records

**All necessary supporting documentation must be dated within 30 days of the date you submit your application. An incomplete application will prevent you from receiving assistance. Assistance is based on a state of California mandated point system, not on a first come first serve basis.**

- Use only **blue** or **black** ink.
- Please cross out mistakes and initial the change. Do **NOT** use white out.

### **Helpful documents included in this packet**

- **Monthly Budget Planning Guide:** This guide is to help you plan your monthly budget so you are able to meet each of your household needs. Keep this for your records.
- **2021 Fact Sheet-Income Guidelines:** Please read thoroughly. If your household is over income for the program in the last 30 days, we cannot assist you. Income is based on the last 30 days. If your household income changes during the year, please apply during a time you qualify.
- **Energy Education Pamphlet and WattSmart Energy Savings Guide:** These contain useful information on how to reduce your energy costs and heating bills and how much items in your home cost to operate.

### **The following supporting documentation MUST BE INCLUDED with your application packet:**

- **Income:** Provide copies of all income verification for everyone in the household who is over the age of 18. All verification must be dated within 30 days of submitting the application and it must reflect a full consecutive month. Each person over 18 years of age without an income needs to complete and sign the CERTIFICATION OF INCOME AND EXPENSES – CSD43B. High School students are excluded.
- **Pacific Power Bill:** Provide a copy of all pages of the household's most recent electric bill. It cannot be a "final or closing bill" and there needs to be a minimum of 22 elapsed days in the billing cycle. If the power bill is not in the applicant's name an **Account Holder & Authorization Form (CSD 081)** must be completed with the account holder's name and signature.
- **Fuel/Propane Bills:** Provide copies of all other current energy bills dated within the last 30 days for propane, heating oil and/or kerosene. If your bill is older than 30 days, you will need to obtain an estimate from your provider, dated within the last 30 days. If you are providing a bill, it must show date, address, amount and total cost of delivery. Provide this information even if you are not requesting assistance with fuel because it demonstrates your total energy costs and energy burden.

**Energy Assistance and Weatherization**  
**Examples of Proof of Income**  
**Keep for Your Records**

**Proof of income is required for everyone in the household 18+ and not a high school student.**

**All documents provided need to include a name or SSN to be acceptable verification of income.**

- **SSA/SSI/SSP/SSDI**: 2021 Annual Award Letter from Social Security, bank statements reflecting direct deposit amounts or checks dated within the last 30 days.
- **CalFresh/TANF** (Temporary Assistance for Needy Families): Please provide a **Passport to Services** dated within the last 30 days. If you are only receiving CalFresh food stamps, please provide this information as documentation that you are not receiving any other income or county aid. Adults listed in the household but who are not the “Case Name” need to submit a signed “Certification of Income and Expenses” if they do not have any other income.
- **Pension/Annuities**: Please provide 2021 annual statements or copies of checks dated within the last 30 days from each pension plan. You need to provide proof of the gross amount received. If you provide a bank statements reflecting direct deposits you should also include your most recent 1099 form to verify withholding status.
- **Wages/Paychecks**: Copies of all check stubs/receipts dated within the last 30 days, reflecting a FULL CONSECUTIVE MONTH of pay for the last 30 days worked. Be sure that the dates are in chronological order and that there are no gaps between pay periods or missing stubs/receipts. If there was a gap in work with no pay, please attach a brief explanation.
- **Unemployment Benefits**: Copies of EDD documentation reflecting a FULL CONSECUTIVE month dated within the last 30 days. Please provide current check stubs or a current printout from the EDD of payments received, **not an award letter**.
- **Self-Employment/Odd Jobs**: All household members who are self-employed and/or perform odd jobs within the last 30 days will need to complete, sign and date a “Self-Certification of Household Income Verification”. This certifies the actual amount that have been earned and received for the last 30 days.
- **Child/Spousal Support**: Copies of checks, bank statements reflecting direct deposits or other documentation reflecting a FULL CONSECUTIVE MONTH dated within the last 30 days.
- **Worker’s Compensation**: Copies of recent check stubs or other documentation reflecting a FULL CONSECUTIVE MONTH for the last 30 days.
- **Other Income**: If any other forms of income are received that are not listed above, documentation can be provided on bank statements for direct deposits or checks dated within the last 30 days.

## Energy Assistance and Weatherization

### Program Information

### Keep for Your Records

- The Low Income Home Energy Assistance Program (LIHEAP) is a federally funded program that is administered by the state of California to assist low-income or struggling households pay their energy bill. You can receive assistance one time each program year for your electricity, fuel oil, propane or firewood. To qualify you must be a Siskiyou County resident. Eligibility is based on the entire household's total monthly gross income.
- Completing an application is not a guarantee for assistance. Applications are processed according to a state mandated point system, not on a first come first serve basis.
- It may take several months to process your application. You may be contacted to provide updated documentation when your application comes up for review. You will need to keep your energy bills current and make payments to your energy provider in a timely manner. Do not wait until you have a shut-off notice or are without fuel or firewood to apply.
- **You will be notified by U.S. Mail** when we receive your application and again if assistance can be provided.
- **Weatherization assistance** helps qualifying households reduce their heating and energy costs by installing energy saving measures in a home. *Indicate on the application if you would like weatherization services.*
- Great Northern Services uses ShareFile and RightSignature to give clients a safe and secure way to apply for Energy Assistance and Weatherization online if they prefer. Visit [gnservices.org/apply](http://gnservices.org/apply) for more information.
- **Apply by mail: submit the entire application by U.S. Mail to:**  
**Great Northern Services – ATTN: Energy**  
**310 Boles Street**  
**Weed, CA 96094**
- For personal assistance in completing the application you can call 530-938-4115 ext. 120; stop by our office Monday – Thursday, 9 am – 4 pm; or visit a Community Resource Center (see list on next page).
- For weatherization questions or assistance, you can call 530-938-4115 ext. 127 or stop by our office Monday – Thursday, 9 am – 4 pm. You can also email [wx@gnservices.org](mailto:wx@gnservices.org) with questions.

CARE Program: Income-qualifying residential customers can receive a 20 percent discount on Pacific Power bills through the California Alternate Rates for Energy (CARE) program. You can contact Pacific Power by phone at 1-888-221-7070 and ask about their payment plans and/or obtain an application for the CARE program, or enroll through their Website: [www.pacificpower.net/care](http://www.pacificpower.net/care)

**Siskiyou County Community Resource Centers**

- **Dunsmuir Community Resource Center:** 5844 Dunsmuir Ave, Dunsmuir. (530) 235-4400.
- **Happy Camp Family Resource Center:** 38 Parkway Rd., Happy Camp. (530) 493-5117.
- **HUB Communities Family Resource Center:** 310 S. 13th St., Montague. (530) 459-3481.
- **Mount Shasta Community Resource Center:** 109 E. Lake St., Mt. Shasta. (530) 926-1400.
- **Scott Valley Family Resource Center:** 11920 Main St., Fort Jones. (530) 468-2450.
- **Tulelake/Newell Family Resource Center:** 810 Main St., Tulelake. (530) 667-2147.
- **Family & Community Resource Center of Weed:** 260 Main St., Weed. (530) 938-9914.
- **Yreka Community Resource Center:** 201 S. Broadway, Yreka. (530) 842-1313.

Most resource centers have copies of our applications on hand. Often they can help fill applications out, provide additional instructions, and submit the applications to us by fax. In addition each center has a wide variety of other services. Please call first to verify hours and availability of assistance.

**Energy Assistance and Weatherization**  
**Monthly Budget Planning Guide**  
**Keep for Your Records**

Below is a monthly budget sheet you can use to help plan what expenses you have to pay for every month. It is helpful to take the average costs of 12 months and set aside an amount each month so in the winter months you will be able to meet your heating cost needs.

To be responsible, calculate your income and budget your expenses in order to pay your monthly utility and heating bills.

A Pacific Power CARE Application will be sent to you once your file has been processed. Income-qualifying residential customers can receive a 20 percent discount on Pacific Power bills through the California Alternate Rates for Energy (CARE) program. If you would like to fill out the CARE application now, you can access the application at <https://www.pacificpower.net/care>.

## 2021 FACT SHEET ENERGY ASSISTANCE PROGRAM

### LOW-INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)

Established in 1981, LIHEAP is a federally funded program that helps low-income households pay their energy bill. Assistance is in the form of a dual or single party warrant or a direct payment to a utility company on behalf of an eligible applicant. Eligibility is based on the household's total monthly income, which cannot exceed the 2021 LIHEAP Income Guidelines listed below. Because of significant funding cuts, the federal government enacted a law requiring that states target households with low-incomes and high energy costs, taking into consideration households with elderly and disabled persons, and children under six. This means there could be households that received assistance in the past and will no longer receive assistance because they fall into a low priority group and are not considered among the neediest of the needy. The amount of assistance is based on the number of persons in the household, total gross household income, the cost of energy within the county the households resides, and funding availability. LIHEAP provides one payment per program year. Under most circumstances, it takes approximately six weeks to process an application and pay the applicant. However, an incomplete/incorrect application will take additional time to process. Persons living in board-and-care facilities, nursing or convalescent homes, or in jail or prison, are not eligible for LIHEAP.

The local community services agencies are responsible for processing applications and the Department of Community Services and Development (CSD) is responsible for issuing LIHEAP payments. To find out how to apply for services in Siskiyou County, please call Great Northern Services' Energy Assistance Department at (530) 938-4115 ext. 120.

Utility companies throughout the state offer reduced rate programs. Customers should contact their utility company to find out if they offer such a program and to request an application.

### WEATHERIZATION ASSISTANCE PROGRAM

Weatherization is the process of making your home more "air tight" and energy efficient. The goal is to keep the warm air in and the cold air out in the winter; and keep the cold air in and the warm air out in the summer. Weatherizing your home could help lower your energy usage and utility costs. Your home will be assessed to determine what weatherization work can be done. The most common types of weatherization include: sealing the holes and cracks, insulation, weather stripping, fixing windows, water heater blankets and making sure your heating and air condition systems are working correctly.

Free weatherization services are available to low income property owners and renters. Eligibility is based on the household's total monthly income, which cannot exceed the income guidelines listed below. To find out if you qualify, you must contact your local service provider. To find out how to apply for services Siskiyou County, please call Great Northern Services' Weatherization Department at (530) 938-4115 ext. 127.

Size of Household	2021 LIHEAP INCOME GUIDELINES	Monthly Income
1		\$2,431.09
2		\$3,179.11
3		\$3,927.14
4		\$4,675.17
5		\$5,423.19
6		\$6,171.22
7		\$6,311.48
8		\$6,451.73
9		\$6,591.99
10		\$6,732.24

NOTE: Income amounts for family sizes greater than six persons were determined based on the following calculation: Add 1% to 132% for each additional family member, multiply the new percentage by \$56,102, and divide by 12. Example: household size of 7: 132% + 3% = 135% × \$56,102 = \$75,737.70 ÷ 12 = \$6,311.48 per month.

Manage energy.  
*Save money.*

The first step to wise use of electricity is to understand your energy use and habits. Making simple changes in how you use energy can help you save energy and money.

For information on our Wattsmart® energy efficiency programs and tips to reduce energy use, visit [BeWattsmart.com](http://BeWattsmart.com).

#### Residential energy use

Approximate average monthly kWh\* use:

Electric heat	2,200*
Electric heat pump	1,460*
Baseboard/zonal/wall/portable heat	1,400*
Central air conditioning	1,000*
Electric water heater (3 people)	465**
Other heat (space, block, etc.)	180
Furnace fan	102
Lighting	60
Computer/printer	45
Refrigerator-freezer	44
Freezer	43
Clothes dryer	37
ENERGY STAR® refrigerator-freezer	35
ENERGY STAR® freezer	35
Electric range/oven	23
Flat-panel television	21
Game system	20
Dishwasher	18***
Cable TV set-top box	17
Clothes washer	13***
Microwave	11
Coffee maker	10

Energy use can vary greatly according to the age or design of the appliance, the age of your home and the number of occupants. In general, new homes and newer appliances will use less energy.

\* Based on a 1,500 square foot home for a six-month period. Homes differ in usage and figures may be higher than those indicated.

\*\* Based on a family of three. Add 100 kWh for each additional person.

\*\*\* Heating water for appliance use is included in water heater estimate, but not in dishwasher or clothes washer estimates.

## NO-COST ENERGY SAVING TIPS

**Turn down** your thermostat to 68 degrees or lower during the day and evening (health permitting) and to 55 degrees or off at night or when away from home. Wear layers of loose-fitting clothes to trap body heat, such as thermal underwear, sweaters, sweatshirts, sweatpants, and socks.

**Set** your water heater to the “normal” setting or 120°, unless your dishwasher requires a higher setting.

**Open** drapes to let the sun heat your home during the day and close them at night to help insulate.

**Close** off unused rooms and the vents that heat those rooms.

**Keep** warm-air registers, baseboard heaters, and radiators clean and make sure they're not blocked by furniture, carpeting, or drapes.

**Move** furniture around so you are sitting near interior walls instead of exterior walls and windows.

**Close** your fireplace damper tightly when not in use.

**Take** shorter showers.

**Wash** only full loads in your and clothes washer.

**Use** cold water when washing clothes.

## LOW-COST ENERGY SAVING TIPS

**Clean or replace** furnace filters once a month.

**Install** weather-stripping or caulk to leaky doors and windows.

**Install** gaskets behind outlet covers.

**Add** plastic sheeting to your windows or purchase plastic window covering kits or interior storm window kits.

**Install** a programmable thermostat.

**Install** low flow showerheads and faucets.

**Wrap** your hot water tank with jacket insulation. Be sure to leave the air intake vent uncovered when insulating a gas water heater.

**Insulate** the water pipes leading from your hot water heater.

## HEALTH & SAFETY TIPS

Adequate home heating is a necessity of life. The inability to heat your home adequately can put household members at risk. Health and safety risks include hypothermia and carbon monoxide poisoning and the increased possibility of fire.

You can prevent the loss of life and property by identifying potential hazards and following these safety tips:

**Install** smoke and carbon monoxide alarms in your home.

**Provide** proper venting systems for all heating equipment.

**Never use** your range or oven to heat your home or use a BBQ in your home or garage.

**Place** space heaters on level, hard and nonflammable surfaces, not on rugs or carpets.

**Keep** space heaters at least three feet from bedding, drapes, furniture, and other flammable materials.

**Never leave** a space heater on when you go to sleep or leave the area.

**Watch** children and pets closely in rooms with heating equipment.

**Always use** generators outdoors and away from doors, windows, and vents..
